View from the Chair: What’s NEW!

This month I thought I would highlight some things that are new and exciting about your chapter, so here goes:

- **Membership** – For the first time since the founding of the Southeastern Massachusetts Chapter 42 years ago, the membership has now exceeded 4,000 members. While we are still one of smaller of the twelve organized chapters from Maine to Virginia, we are one of the most active! Many thanks to our great leaders who put on amazing events for our membership.

- **Chapter Retreat** – This year marks a first. We are replacing our White Mountain Chapter Hut weekend with our Chapter Retreat, to be held September 21-23 in Sandwich on the Cape. We are offering lodging, meals, and several activities for a very reasonable price. Best of all, you don’t have to drive four hours to get there! Activities include hiking (easy, moderate, long), paddling, and biking. In addition, we have several other events planned, such as mini-seminars (photography, map and compass), climbing wall, zip lining, pontoon boat rides, yoga, and, of course, campfires. See more about the retreat in an article in this newsletter.

- **Young Members Group** – I am pleased to announce the formation of a Young Members Group within our Chapter, Chaired by Susie Schobel. The first social/organizing meeting will be held on June 14 at 7 p.m. at the New World Tavern in downtown Plymouth. This group is for 20’s, 30’s, and the “Young at Heart,” so all are welcome.

- **Flat Water Paddling** – Newly elected paddling Vice Chair, Luther Wallis, has initiated a series of after work mid-week paddles for both kayaking and canoes. The next paddle is scheduled for June 12th at the NIP in Bridgewater, MA. If you have a place you would like to paddle after work, let Luther know.

These are just a few of the exciting things happening in YOUR SEM chapter. If you don’t see an offering that suits your desire to get outside, let me know and we’ll see if we can set something up.

*Hope to see you outside soon!*

Spring cycling: Pedals and petals
Written by Paul Audet

On a beautiful sunny spring day, six riders enjoyed a 21-mile ride through Westport and Dartmouth, MA. Temps were in the 60s with a light breeze. We rode past farms with stone walls, conservation land, the Westport River and the Slocum River. There were a few challenging hills—“Handy Hill” in particular, which seems to find its way into most of Jeannine’s rides. Our group stopped at Parson’s Preserve, part of the Dartmouth Natural Resources Trust, to view the beautiful daffodil fields and the rapidly moving waters of the Slocum River.

Two weekend get-aways in June!

We have two opportunities coming up to get away for a weekend outdoors.

**June 1-3**, is our hiking weekend with the Boston H/B Chapter to the (low) Harvard Cabin on route 16 between North Conway and Pinkham Notch, NH. This rustic cabin has an upstairs sleeping loft (sleeping bags/pads on a shared floor space), an outhouse, cold running water. Simple but fun! Exact hikes will be determined Friday night depending on leaders and participants interests, latest weather/trail conditions reports, and participants’ abilities.

**June 8-10**, is the SEM/NH Inter-Chapter Backpack Trip to the Mt. Greylock State Reservation. We’ll hike Mt. Prospect, Mt. Williams, Mt. Fitch, and summit Mt. Greylock for a total of 13 miles with elevation gain/loss of 3050 feet. We’ll camp out overnight. Hiking experience and appropriate gear is required.

See the Activities listings for more information and registration details for both trips!
Registration opens soon for Cape Cod Chapter Retreat, Sept. 21-23
Written by Len Ulbricht, Chapter Vice Chair

This year, AMC-SEM is replacing the White Mountain Chapter Hut weekend with a Chapter Retreat offering activities for every interest and ability level.

The Retreat will be held at Camp Burgess in East Sandwich, MA, a YMCA outdoor education and retreat center. The camp has frontage on Spectacle Pond and abuts Triangle Pond. Facilities include a large dining hall, a meeting lodge, bunk bed accommodations with adjacent bathroom and hot showers, plus a variety of outdoor recreation opportunities.

For each day—Friday, Saturday, and Sunday—we are organizing hikes, bikes, and paddles, both short and long, so all members will find activities to match their skills and preferences. On Friday and Saturday we'll have a social hour before dinner and evening campfires afterwards. Several special events are in the works, in addition to the camp's pontoon boat rides. For the more adventurous, it's zip lining and a climbing wall.

Registration is expected to open in June, so look for the announcement. Though we hope everyone registers for the entire Cape Cod Retreat weekend, there will be a Saturday-Daytime-Only option for those who choose not to stay overnight at the camp.

Volunteers to help out are always welcome! For further information contact your Retreat Coordinator, Len Ulbricht, at lenu44@gmail.com.

Red-Lining reveals the beauty and variety of the Blue Hills Reservation
Written by Susan Drew

(Sue just completed her first year hiking with AMC-SEM and has been active in Thursday evening Red-Lining.)

The Blue Hills Ski Area. For many, this is all they know of the Blue Hills. Few ever venture any farther.

I am grateful to the AMC and to the Red Line hiking group for showing me that the Blue Hills Reservation is so much more. Red-Lining refers to walking every inch of every trail in the park and tracking it on an official Blue Hills Reservation map.

The 125 miles of maintained trails through the park offer a true rural sanctuary. The very name “Blue Hills” summons up images of skiing and rocky hilltop climbs. True, these things do exist and in fact form the cornerstones of the reservation. Yet each trail offers something different, if you dare to delve into them and wander.

You may be surprised to find sun-drenched meadows, freshwater ponds, tree-shaded trails carpeted with soft pine needles, grassy hills, lowland marshes, and flowing streams. I've witnessed stunning scenic views, crimson sunsets, heard tales of local regional history and caught the occasional glimpse of moonglow across the surface of a pond.

Why did I join AMC? The short answer is that I admire the club philosophy. I knew I liked hiking and the outdoors. Still, I was hesitant. Would I be able to keep up? Could I climb the hills? Could I walk the miles? I learned that the Red Line hikes welcome everyone and are structured to start easy at the beginning of the season and work up to the more difficult trails. I enjoyed hearing accounts of previous hikes and about the friendly and entertaining group of hikers. This was the motivation I needed.

At first, I couldn't imagine myself walking every inch of every trail in the park. I frankly thought this was nuts! My only goal was to get exercise outdoors and meet some new friends. Nevertheless, over time I realized that “Red Lining” is a clever idea for providing a more compelling and motivating activity, and many of my fellow hikers were participating. It became clear to me that this was an achievable goal, and I wanted to see for myself if I was capable of attaining it.

I finished my Red Line in November of last year. To finally achieve this milestone is very satisfying. I feel privileged to have a unique and intimate knowledge of the Reservation and to belong to a group of truly awesome people who collectively care for and respect this little piece of wonderland.

New Flat Water Paddling Group
Written by Barry Young, Chapter Chair

Newly elected Paddling Vice Chair Luther Wallis has initiated a series of after-work mid-week paddles in Bristol and Plymouth counties. These paddles are suitable for both kayaks and canoes and are also suitable for all skill levels of paddling.

Recently kayakers enjoyed an early evening paddle on Lake Rico in East Taunton, bordering Massasoit State Park. The next flat water paddle will be held June 12th at Lake Nippineckit—“The Nip”—in Bridgewater, MA. For details, see the event currently listed on our website and stay tuned for more paddles to come.

Volunteer of the Month:
Barbara Gaughan
Written by Bernie Meggison Biking Chair

Each month the SEM recognizes one of our amazing volunteers. We are thankful for the wonderful people who donate their time and energy to organize events and activities and lead terrific trips. This month the Biking Committee recognizes Barbara Gaughan for her continuing contributions.

We have a woman within our midst who exemplifies a perfect team player, willing to step up to the plate whenever needed, and an organizer extraordinaire! Barbara’s recent performance at our Open House was awesome, keeping the biking events and bikers together. To Barbara, a well-deserved, “Hip, Hip, Hooray!”

Thank you, Barbara, for all you do! Barbara will receive a Volunteer of the Month Certificate and a $50 gift card.

Fri., Jun. 1-3. HIKING WEEKEND AT THE (LOW) HARVARD CABIN WITH BOSTON CHAPTER, Harvard Cabin (the low one, on route 16 between North Conway & Pinkham Notch). This is a joint Boston H/B and SE Mass chapter trip. Using the historic Harvard Cabin (the low one, on Rt. 16) as our base, we will set out on hikes in the Pinkham Notch or nearby area. This rustic cabin has an upstairs sleeping loft (sleeping bags/pads on a shared floor space), an outhouse, cold running water. Simple but fun! Exact hikes will be determined Friday night depending on leaders and participants interests, latest weather/trail conditions reports, and participants abilities. On Saturday, we will likely offer two options if the group fills: one moderate/easier 4,000 foot mountain and one moderate/more strenuous 4,000 footer. On Sunday, we might go for another 4,000’er or often we opt for a shorter hike on the way home (perhaps a 52 With A View peak). You will help us as we prepare breakfast, a post-hike happy hour and dinner on Saturday and a breakfast on Sunday. Trip fee of $80/members and $85/non-members includes two breakfasts, one dinner, and happy hour snacks (planned and shopped for by the leaders, but prepared and cleaned up with the help of all participants). Sat., Jun. 2. White Mountain Summer Hiking Series Kick-Off Hike. Want to hike the mountains of New Hampshire, but don't know how to start. Wish you had a group of trained, experienced, hike Leaders to teach you everything you should know to hike safely? Here you go... The SEM Chapter is offering a 'Summer Hiking Series', during which we will take you from 'What you need to know' to the summit of a NH 4800 foot peak. The series starts June 2nd, with a training hike at the Blue Hills where, in addition to hiking, you will learn about clothing, food, equipment, conditioning. It will be followed by several New Hampshire hikes, ranging from 'Piece of cake,' to 'Boy, that was a real challenge!' On this first hike we will do a combination of hiking and learning. There will be a lot of 'up and down' hiking, to start getting in shape, while testing out our clothing and gear, and getting used to the 'flow' of a hike. Interested? Then sign up for this hike! Summer Hiking Series dates; July 7 - Mount Hedgehog 2,532’, August 4 - Jennings Peak 3,460’, September 8 - Mt. Moosilauke 4,802’ Successful completion of each hike qualifies you for the next hike.) Sat., Jul. 14. Map and compass for beginners (Sat), Blue Hills. Come learn basic navigation skills using a map and compass to find your way. In this indoor and outdoor class, you'll learn the parts of a compass, how to read a topographic map and how to use them in tandem. You'll also learn some basic orienteering skills such as how to bushwhack from one trail to another by following a bearing. The Saturday after the workshop (July 21) there will be a directed hike & bushwhack, for class participants only, where you will have an extended opportunity to practice the skills you learned in the workshop. All activities will take place at the Blue Hills Reservation. No prior skills required for the class session on the 14th. To participate in the activities the following Saturday you will need appropriate hiking gear including sturdy boots for the bushwhack and be able to hike approximately 4 miles with a day-pack. Participants will need to come to class with a sighting compass. Prior reservation is required, and class size is limited to promote small group learning.
